# IN A WORLD THAT SEEMS TO TURN FASTER THAN EVER, IT IS GETTING HARDER AND HARDER TO KEEP THE OVERVIEW.

**GRAFiT Mobile Feature offers all production data  
anywhere – at any time!**

The self-explanatory design helps to find all the data you are searching for. Distinctively designed icons and the adjustable navigation bar make it easy to search through all capabilities.

The app's design is capable of presenting your factory layout on any iOS or Android device. It merges all the machines into groups that you determine – and gives you the notifications you determine to receive!

Customizable graphic indicators let you know about the status of your production.

Customizable notifications let you know about problems in your factory. React faster – earn more!
